bank officials at Longview, Tex, some time ago, when outlaws from the Ter-ritory raided that town.
Why outlaws notify those they in-tend to rob, is something the people can't understand, and yet it is true that must of the hanks that have been ribbed by the Territory criminals re-octived a notice of some kind before the raids have been made.

Some think that they have in view making a raid on some of the other border towns, and have notified the people of this town in order to throw the people of the town they intend to raid off their guard.
